BANDO

2011 RABIES CAMPAIGN

D. CARLOS RAMÍREZ SANSANO, Mayor – President of San Fulgencio Townhall, makes it known:

That, as every year, there is a LOCAL VACCINATION CAMPAIGN AGAINST RABIES, which will be help as follows:

FIRST : Between 18:00 and 20:30 on the 22nd and 29th of August and the 5th of September at the following location:

- The Municipal Swimming Pool changing rooms

SECOND – From August 22nd to September 9th during working hours at the following Veterinary Centres located in Urbanisation La Marina and Sector VIII:

- VETERINARY CLINIC AMIGÜITOS, C/Teresa Berganza 5
- VETERINARY CLINIC EL GOSSET, C/Mar Mediterráneo 8, local 6, CC Bahía de las Dunas
- VETERINARY CLINIC SAN ANTÓN, C/Alfredo Kraus 7

THIRD – The rabies vaccination is an obligatory part of the mandatory veterinary health card or the current European Passport (Decree 49/2005 of the 4th March, from the Consell de la Generalitat Valenciana).

FOURTH – For the first vaccination or if you have lost the health card, it is essential that the ID of the owner is provided to allow identification and to prepare the European animal passport.

COST IF THE VACCINATION : 18 EUROS

COST OF THE PASSPORT : 10 EUROS

COST OF THE VACCINATION, PASSPORT AND IDENTIFICATION : 55 EUROS

It must be noted that it is an obligation of the owners to vaccinate their dogs for the first time, when the animal is three months old and to revaccinate one year later and then at least once every two years. (Order of the June 1st 1996, from the Consell Valencia).

This is made public for your information and compliance.

San Fulgencio on August 2nd, 2011.
